

August 6, 2009

Dear Parents and Students,

4 things.

1. I know that many of you are getting 2 emails for each email I write. Please bear with getting double emails for another 3 weeks. I need to figure out how to merge two email groups. Charms has a great way of emails contacts but the webmaster has some email address that CHARMS does not. I will work on this next week after band camp.
2. Last Day of Band Camp change in schedule.
 - a. Tomorrow we will let out at 4:15pm, once their section is done with their cleaning assignment, they may go home. Then we will meet back at the cafeteria at 6:00pm for dinner and a quick recognition ceremony. Deb will need help from parents in serving the students at 6:00pm.
 - b. We will eat from 6pm to 6:45pm at the HHS cafeteria, then we will travel on base to the Hancock Pool for a band pool party.
 - i. You do not have to swim if you do not want to.
 - ii. We are paying 2 lifeguards to be on duty.
 - iii. We would love to have some parents come and help supervise.
 - c. Some students have asked if they can miss this pool party. I am not making it mandatory, but I think spending some time with the other 132 members in the band would do some good in building our team.
Again it is not mandatory but I would love to have all of them come.
3. Every wind and percussion marching band member needs to bring in his or her marching band jacket by Friday 8/14 of next week. If they do not bring in their jacket they will need to be fitted for a new jacket on Friday 8/14 at the Parents preview.
4. With the program ad reward criteria I had set up, no section had 100% of their section sell one \$35.00 ad per kid. I am changing the criteria so at least a few sections will be able to receive a free t-shirt. Here below is the list of ads. As I am typing this email I see about 4 more ads I will try to enter tomorrow. The Battery and Front Ensemble look like they met the new criteria. I will still have to double check to make it official.

Thanks,

Jorge A. Benitez
Director of Bands
