Congratulations 2009 Members of the Havelock Marching Rams Percussion Section.
Remember that we have our first rehearsals starting next week (May 18 and 21).

Front Ensemble is on Thursday from 4-6PM

Please understand that the staff reserves the right to move personnel around in the ensemble or remove anyone that does not pull their weight throughout the summer. However, if everyone on the list below digs in and works hard, this will be a great ensemble! I am excited about the potential! Lets go to work!!

Warm Up Books are available at the band office and will be posted on the web soon!
