

# HAVELOCK HIGH SCHOOL BANDS

## CHAPERONE CONTRACT 2008/2009 SCHOOL YEAR

1. I understand that, as a chaperone, an adult pit crew, or an equipment trailer driver who interacts directly with the students, I must be a band booster member, 21 years of age or older, in good standing as required by Craven County School Policy and Havelock Band Boosters Association Constitution and By-laws. For 2008-2009, potential chaperones must complete two required forms which may be obtained from the Volunteer Coordinator or Band Director and be fingerprinted at the police department. The forms with fingerprint records will be returned in a sealed envelope to the Volunteer Coordinator who will forward the envelope to Craven County School's Central Services. A state level background check will be run for each potential chaperone and subsequently a report will be sent to the school with the list of approved chaperones.
2. I have reviewed the "Chaperone Policy and Guidelines Handbook" and agree to carry out the mission statement and comply with all regulations.
3. I agree to make a commitment to travel regularly with the Havelock High School Bands.
4. I understand that as an equipment trailer driver I may be called upon to assist with chaperone duties.
