Dear Students and Parents,

The Mill's Family suffered a tragic loss this morning. Amanda, John, and Haley were involved in a severe car accident. Amanda and John were both flown to Pitt County Memorial Hospital, where they are currently being treated. Unfortunately, Haley, did not survive. I am on my way to the hospital to be with Lori and Mike. At this time, I do not know the condition of Amanda and John. I know many of you are close to the family. As soon as I know anything else, I will send out an email to let you know. The best thing that you can do now is to pray and support Lori, Mike, Amanda, and John in their tragic loss.
