

Parents and Students,

Senior Drop Add Dates are scheduled during Band Camp Aug 6 & Aug. 7th.

The procedure for drop/add involves setting up a 15 minute appointment to meet with a counselor.

Seniors,

As soon as you get your schedule for next year, review it and if you need to make changes call 444-5112 to make an appointment on those two days. I will let any marching band student miss 15 minutes of marching band camp to meet with their counselor.

Thanks,
