

August 4, 2008 ~ Friends & Family Sponsorship announcement

Dear Parents and Students,

I am being made aware of the mistakes with the Family and Sponsorship mailing that just went out.

1. It seems that all of the letters that went out had the incorrect sponsorship levels amounts written on the letter. The side with the pictures had the correct level of \$10, \$30 and \$70.
2. Some parents are telling me that the letters received by family members did not have their son or daughter's information on it, they had another band student's name. I am in the process of figuring out how often this happened. If this happened to you please email me at jorge.benitez@craven.k12.nc.us .

If this was an extensive problem with the mailing we will re-mail to the entire list.

For clarification, the friends and family sponsorship levels are as follows:

Friends and Family Sponsorship Program Your selected student will receive half of your contribution in his/her individual band account and the remaining amount will be deposited into the band's general fund. Your name will be proudly listed in each home varsity football game program (if rec'd by 08/15/08) as a Havelock High School Band Fan Supporter as well as on the band website's featured Band Fan Map.

\$10 - Band Fan listing in program

\$30- Band Fan listing & band magnet

\$70- Band Fan listing, band magnet and dvd featuring highlights of the marching band and colorguard season

Thanks,

Jorge A. Benitez
Director of Bands
