Marching Band is a large investment of time and money. Students will not have to pay in full before participating in Marching Band; they will be able to pay throughout the semester. Students will also be able to raise money through the many fundraisers that we participate in. A percentage of the profit from each fundraiser the student participates in will go into a personal student account. Students may use this money to pay for any band fees owed. Account balances must be paid in full by the end of the semester to be eligible to participate in Marching Band the next year.

Future Marching Band Members

Full Marching Band (including new Freshman) will meet for our first rehearsal on Friday, May 23rd from 6-8:30 pm at the HHS Band Room. We will assign instruments; pass out music and play warm-ups and some pep tunes. **BRING YOUR INSTRUMENT!!!**
