

2015 Havelock Percussion Camp

July 13th - 16th (8am – 5pm)

What to bring?

- Practice Pad (if available)
- Sticks/Mallets
 - Music
 - Pencil
- Water Bottle

Please be as prepared as possible for this camp. Listen to the recordings, look over your music, take notes, and practice when you can. The better prepared we are as a group, the faster we will learn the music and warm-ups. If you have any questions, please do not hesitate to contact me. I look forward to teaching you this season. Enjoy the rest of your summer!

Corey Elrod
Associate Director of Music
Havelock High School
