

Dear Band Families,

Welcome to a new season with the Havelock High School Bands and Colorguard! I want to extend a warm welcome to both our returning families and those joining us for the first time. Whether your student is just beginning their journey in band or is a seasoned veteran, we're thrilled to have you and your child be a part of this team.

The Havelock High School Bands and Colorguard is more than just a program, it's a family. It's a place where students grow musically, socially, and personally. Behind the scenes, a dedicated team of family volunteers (our Band Boosters) work to support the directors, staff, and students through fundraising, event coordination, chaperoning, equipment transportation, and much much more.

As Band Booster President, I invite you to get involved! There are so many ways, big and small, to contribute your time and talents. You don't need any musical experience, just a willingness to help and a desire to support these incredible students. Volunteering is not only rewarding, but it's also a great way to meet other parents and feel connected to your child's high school experience.

Here are a few ways to get started:

Attend our monthly booster meetings to stay informed and share your ideas.

Sign up to become a booster member.

Fill out background check information through Craven County Schools website.

Support and participate in the bands fundraising efforts.

Cheer loudly at performances and competitions!

If you have questions or would like to get involved, feel free to reach out to me directly at [tsbirchfield@gmail.com](mailto:tsbirchfield@gmail.com).

Together, we can help make this year the best yet for our students, staff, and entire band family. Let's make some music and memories!

Warmly,

Tara Birchfield

President, Havelock High School Band Boosters
