Please join us for our annual Parents Preview. This is the first opportunity for our kids to show off what they've learned so far at practices and band camp this year. This is also a great time to meet some of the other band parents and become involved in the booster organization.

Each section within the band is being asked to bring in an assigned item to compliment all of the items that are traditionally donated by some of our generous supporters. All items need to be turned in to the band room **NO LATER THAN SATURDAY, AUGUST 3rd**. (Students should make sure a director marks off that they have brought in the requested items.) Please notice that different sections of **Marching Rams** members will be bringing in **two** 2-Liter bottles of soda and other will be bringing in 24 little Debbie desserts; this is to ensure that every marching band member will have a cold soda at all home football games throughout the season.
